projects (PI)

Uncovering and understanding differences in health behaviours in people with diabetes (CASCARA)

Horizon 2020 Widening fellowship, October 2021 - September 2023

Using financial incentives to increase physical activity among employees as a strategy of workplace health promotion (AFKAB)

German Federal Ministry of Education and Research, April 2020 - September 2021

A randomized trial on the suitability of peer education to improve diabetes management and outcomes in a low-income setting in Aceh, Indonesia, Co-Principal investigator (with Sebastian Vollmer), International Diabetes Federation - BRiDGES 2, February 2018 - January 2021

Talks and Workshops

Conferences/talks

Presentation at meeting of Project on Access to Care for Cardiometabolic Diseases (HPACC), 2021

Accepted presentation at Centre for the Study of African Economies (CSAE) Conference 2020, cancelled due to Covid19

German Society for Epidemiology DGEpi Congress 2019

International Health Economics Association iHEA 2017, Award for 2nd best student paper

Brownbag seminar at Centre for Modern Indian Studies at University of Göttingen 2017

German Society for Health Economics (DGGÖ) 2017

WifOR Workshop "Education, Health and Labor Market Outcomes" 2015

European Health Economics Association PhD-Supervisor Conference 2015

Economics Of Disease Conference 2013

Organised workshops *Epidemiology Evidence Policy - Workshop on epidemiology and evidence-based public health*. Workshop organised together with Prof. Hajo Zeeb at the German Society for Epidemiology DGEpi Congress 2019

Invited presentations Speaker at Roundtable discussion in European Parliament on Diabetes Research in Europe: Priorities in advancing towards a cure and improving patient well-being, November 2016, Brussels
Presentation on “The social and economic impact of diabetes”

Teaching

WS 2016/17 Health Economics I and II, University of Bremen

June 2015 and 2016 Guest lecture on Health Economic Decision Modelling, Fulda University of Applied Sciences

WS 2018/19 Systematic reviewing, University of Bremen

Refereeing

The Lancet Diabetes and Endocrinology, European Journal for Health Economics, Value in Health, Pharmacoeconomics, Diabetes Research and Clinical Practice, Diabetic Medicine, Economics and Human Biology

Languages

German Mother tongue

English Oral and written proficiency

Spanish Oral and written proficiency

Computer skills

Stata, R, L^AT_EX, Git
